Curriculum Intent

Through our Christian Ethos, our children can learn and flourish in an environment where every child is loved and cherished by God.

Our primary curriculum is a journey of footsteps. Our vision statement ***'Direct my footsteps according to your word' Psalm 119:133***, is lived out through our Christian values guiding children along a path. Each step reflects love in our relationships; justice in our actions; hope in our aspirations; respect for all; courage to face challenges; and koinonia— fellowship and community—woven through every learning experience. We provide a rich and varied curriculum that ignites a passion for learning both within school and beyond.

At St Marys, from the very youngest children to the oldest in Year 6, we deliver an inclusive and ambitious curriculum that empowers children to take their next steps on the journey through life.
